Just sent a calendar invite to discuss this later today. I moved the time twice, as I wanted to avoid lunchtime for Beth and Kevin (sorry in advance for any confusion). In addition to the Participant Code, please use the following security PIN (I'll change this each time so don't assume it will work in the future):

1235

Thx

Consider it done; I have forwarded to Bob.

Could FMC get a copy of the 3/7/14 draft project plan and proposed schedule which is referred to in the letter?

Hi, Barbara. Could you please assist me in ensuring the electronic copy of this letter gets to Robert Forbes?

Thanks!

Beth
